P.O. Box 48 Livermore, CA 94551-0048
Non-Profit Tax ID: 23-708895

Graduation creates an emotionally charged day and an even more electrifying evening that holds the promise of many celebration parties. National statistics indicate that more teenage alcohol-related accidents and fatalities occur on high school graduation night than any other time of the year. For fatal crashes occurring from midnight to 3:00 am, 77% involved alcohol.

Safe and Sober Grad Night provides a supervised, safe environment for the graduating Seniors to celebrate. At Safe and Sober Grad Night the graduates can have “the time of their lives” without risking their lives. By providing a Safe and Sober Grad Night, we can greatly reduce the risk of harm to the graduates, and the community at large – on a night when that risk is unusually high. We respectfully request your support for this important event. If you can help, please use the reply form at the bottom of this page, filling in the item(s) or amount you wish to give. Any contributions you make will be greatly appreciated. We will be contacting you to follow up on this request by early February. While we recognize that you get many donation requests, we hope you share our belief that this is an extremely worthwhile event. As parents and members of the community, our wish is to keep everyone safe on graduation night. Thank you for your consideration and support! If you would like additional information, please feel free to contact us.
